# 1960 EDITION OF METEOR DEDICATED TO ART PROFESSOR

Inherently gross by nature,  
We fear not to boast of our lack.  
Beauty we see yet do not comprehend.  
The world landscape we view  
With eye blind to secrets within its fold—  
Indiscriminate eye that is ours.

No mean task is before her—  
To refine the gross, crass elements  
Forever the bane of human kind.  
Emulating the Master Creator's act of creation.  
The world of art comes to meaning  
through her transmitted sensitivity.

Art comes to meaning,  
And we add a measure of intensity  
To life, to thought, to understanding.  
This is significant,

For life is worth but the intensity  
We have tuned ourselves to live.

—Lily Phang

For fifteen years has our campus witnessed  
  
one consecrated to God and man, one who has  
  
imparted to others her dedication, one who has  
  
helped others to see beauty. Her influence has  
  
fostered inspiration; her ubiquitous poodle has  
  
become legend. To you, Mrs. Chloe Sofsky, we  
  
give honor and dedicate the 1960 METEOR.

# ORIENT INFLUENCE CHOSEN AS THEME OF 1960 YEARBOOK

Interwoven into the tapestry of our culture is the gossamer influence of the Orient, lending its finesse of texture, illuminating and enriching. Not to vanish or become illegible is the impress of its aestheticism, for its delicate tracery has become intrinsic to the design; its lack would cause a void in pattern not to be filled. Enchantress extraordinary, the Orient entices all to submit to the cajolery of her call. With the unrivaled allurements of her beauty and graciousness she bewitches even the wary. METEOR 1960 takes its cue from the inseparable influence of the Orient on Western ideas.

FIRST IMPRESSIONS—THE COLLEGE BULLETIN, ENDLESS FORMS, LETTERS FROM THE DEANS. THE ACCEPTANCE, AND A SIGN.

## LASTING FIRST IMPRESSION FORMED

Then come the first impressions, and the intangibility of all facts concerning La Sierra College begin to become concrete, to gain reality. First impressions are an introduction — premonitory signs of this new experience of college, the initial sensations of all that is to come. The indicating road sign, the first glimpse of campus, registration—these mean beginning.

AMONG THE FIRST LANDMARKS SEEN BY ANYONE ARRIVING UPON LA SIERRA CAMPUS ARE DOUBLE DRIVE AND ANGIN HALL.

REGISTRATION BEGINS WITH VISIT TO THE REGISTRAR'S OFFICE. FOLLOWING ARE ROOM ASSIGNMENT AND DEPOSIT PAYMENT.

LETTERS HOME TO FAMILY DESCRIBE NEW EXPERIENCES, FRIENDS, PROBLEMS, POSSIBLY FEELINGS OF HOMESICKNESS.

Education has many objectives. Among the most important is the development of the ability to recognize quality.

A liberal education enables its possessor to distinguish between the valuable and the trivial in literature, music, and art; in philosophical and scientific thinking; in human mores and values.

A Christian liberal education goes one step farther. Christian faith and commitment encourage the student to achieve excellence as well as to recognize it. Christian students and teachers are participants – not mere bystanders – in a drama of intellectual and spiritual growth.

The students and teachers of La Sierra College deserve commendation for their “quest for the best” in Christian learning and dedication.

LA SIERRA COLLEGE BUSINESS MANAGER ROBERT H. HERVIG

Endless details, innumerable phone calls, never-ceasing activity, staggering problems – all these and more are met in the business office. But whether or not immediate solution is offered to the enigmas that a college is capable of producing, the department functions with precision in meeting multitudinous needs of a diversified campus.

The student chooses the course he will pursue; his schedule is added to several hundred others, each bearing silent testimony to a plan for life. CALM FORTRESS OF REASON AMIDST THE CHAOTIC LIFE OF ANGWIN HALL: DEAN OF WOMEN DOROTHY DIXON.

Almost independent, but lacking self-determination; nearly adult, yet not free from the child, the dormitory student falls short of completeness. Providing the necessary element of experience, supplying the deficiencies of youth, the dean becomes the pivot about which life in the dormitory revolves.

# HISTORY PUTS HERITAGE FIRST

LECTURING ON AMERICAN HISTORY IS FAVORED OCCUPATION OF DR. WILFRED J. AIREY, CHAIRMAN OF DIVISION OF SOCIAL STUDIES AND HEAD OF HISTORY DEPARTMENT. DR. AIREY CONDUCTED THE EUROPEAN TOUR AS A HISTORY COURSE THIS PAST SUMMER.

The sweeping conquests of barbaric hordes in Europe, the decay and ultimate overthrow of a once-proud Chinese Dynasty, the Salem Witch trials; brave ventures to make the world safe for democracy, when men could still hope for peace. These events in history are no longer seen as incidents with corresponding dates, but rather as the results of men like ourselves, caught in the love, avarice, and hope of everyday life.

## DIVISION OF EDUCATION PREPARES

The Division of education helps the student to realize that to teach is not merely to present a lecture based on numerous pages within books. Teaching becomes the day-by-day training, guiding, and challenging of minds to think constructively, of hearts to feel understandingly, of souls to reach graspingly toward that which is good and noble.

## COMMUNICATION SKILLS DEVELOPED

MR. LAWRENCE MOBLEY, ASSISTANT PROFESSOR OF ENGLISH, DEVELOPS LITERARY DISCRIMINATION IN HIS STUDENTS.

# SPEECH FACILITIES GROW

DR. W. F. TARR, HEAD OF THE SPEECH DEPARTMENT, IS RESPONSIBLE FOR ITS RECENT GROWTH.

Impart to words the magic of masterful utterances and words become spoken beauty. A word well-chosen becomes an argument; a phrase suitably spoken becomes a conviction. The speech department helps him who would thus speak first realize that no action is perfect until it is void of self-consciousness.

## MUSIC MEN KNOWN FOR EXCELLENCE

Music, the tonal expression of all nations, in song, with instruments, or in creative composition brings into being a world all of its own. MR. H. R. EMMERSON, HEAD OF BUILDING CONSTRUCTION

Give to man the builder a plan, tools, materials, and time. With a vision of the finished product within his mind he begins working. MISS IRENE ORTNER, HEAD OF THE DEPARTMENT, HELPS SECRETARIAL STUDENTS TO DEVELOP THEIR SKILLS.

Today's secretary must be more than a master of typing keys, brief forms, and filing principles. # "DIARY OF ANNE FRANK" PRESENTED

A young girl of Germany kept a diary. Through her words a vivid portrait has emerged—the portrait of eight persons who, to escape persecution because of their race, hid in Holland under desperate conditions during the Second World War. Through this indelible picture has come a lesson: suffering will ever be present, and even those who suffer must not give up hope. As Anne, whose indomitable spirit typifies the truly brave, said, "In spite of everything, I still believe that people are really good at heart."

FORTY-TWO DELEGATES FROM WWC, PUC, AND LSC ATTENDED WIW FROM APRIL 13-16. COORDINATED HERE BY BYRON HALLSTED, WORKSHOP ROTATES AMONG THE THREE CAMPUSES, FREDERICK HOYT SPOKE ON STUDENT VALUES AND LEADERSHIP.

SOCIAL HIGHLIGHT OF THE WORKSHOP WAS A BUFFET DINNER HOSTED BY KRIEGERS AT THEIR NEWPORT BEACH RESIDENCE.

Sharing concepts of the why of student government, leaders from three west coast colleges emphasized change not for the sake of change, but for progress. With discussion and lecture came learning and solutions: the interchange of ideas brought opinions sometimes conflicting, but always augmenting. Permanent value was assigned to all proceedings through the unity which comes from tri-school friendship.

## PEASE, LEECH LEAVE

Dignified and distinguished, President Pease has for six years given direction to every phase of

our college program, ever-enlarging, always augmenting. He has been respected, loved these years; results of his Christian influence to La Sierrans are inestimable, guaranteeing his remembrance.

By his unselfishness and service Dr. Leech has gained the almost reverential respect that is the

disciple's tribute to a master. His humbleness has failed to conceal his greatness; he is extraordinary not only in wisdom, but goodness. He will be treasured for having given to La Sierra of these qualities.

ANGWIN UPSTAIRS PARLOR, WHERE MORE HOURS ARE SPENT CRAMMING AND PARTYING THAN ANY OTHER ROOM.

PEGGY ACKERMAN UTILIZES LEISURE—A COMMODITY ONLY FRESHMEN SEEM TO POSSESS—TO AUGMENT WARDROBE.

## DORM LIFE VARIED

Dormitories represent different things to each individual. To some they mean refuge from the cold reality of labs and classes; to others they are the scene of too many late nights and hard cramming, to still others perpetual social gathering. To all, however, the dorms are the centers about which campus life evolves.

OCCASIONALLY, THE SOCIAL ATMOSPHERE OF DORMS GIVES WAY TO THE NECESSITY OF STUDY — HERE JIM INNIS DIGS IN.

"What the church needs in these days of peril, is an army of workers who, like Paul, have educated themselves for usefulness, who have a deep experience in the things of God, and who are filled with earnestness and zeal." G. W., Page 61.

Our congratulations to the nurses, secretaries, businessmen, doctors, farmers, homemakers, ministers, and others, who make up the Senior Class of '60, for your dedication to the yet unfinished task of proclaiming the gospel to every kindred, tongue and people.

## Will We ~~Can~~ Help You!

School days are passing rapidly, and with their passing may come the accumulation of financial pressure caused by the high cost of acquiring an education. Many students have solved their financial problems through the single-copy or subscription sale of LIFE AND HEALTH. The procedure is simple. Sell single copies in the stores, on the streets, or house to house. Subscriptions may be solicited personally or may be secured by writing to friends and relatives. Commission rates are high, and extra bonuses can be earned under certain conditions.

There is always room at the top . . . for the graduate in business or engineering who wishes to practice his profession under circumstances not ordinarily available.

Just as ACE has achieved great prominence as one of the industry's fast growing precision tool manufacturers, so you have the prospect of arriving at the top with an exceptionally unique and excellent firm.

Now is the time to consider a future with this traditionally Christian organization. International in scope, diversified in operation, it is tuned to the vast opportunities which characterize this space age decade of the 1960's.

An inquiry sent to George C. Beck, Vice-President will bring complete information regarding job opportunities throughout the U.S.A. Write today.

## LAST IMPRESSIONS OF COLLEGE LIFE ARE VIVID, LASTING, TREASURED

SPRING AFTERNOONS SPENT LEISURELY ON THE LAWN ARE REMEMBERED MOST FOR THEIR FRIENDSHIP VALUE

GRADE SLIPS, ADMISSIONS REQUIREMENTS, APPLICATION FORMS ARE FAMILIAR AND DISCOURAGING PART OF COLLEGIATE LIFE; EXTRA-CURRICULARS AND EXAM WEEKS INTERVENE; MORTARBOARD WITH NOSE-TICKLING TASSEL IS LONGED-FOR RESULT.

This has been college; now it is almost ended, to be remembered poignantly, perhaps nostalgically. The future with full and eager plans is very near but still unreal. Now is the time of departure from this portion of life which is college, and the activities are hurried and intense. But this time will never be forgotten; these last impressions represent an eternal part of the memory.

JET AIRLINES TO FAR AWAY PLACES MAKE SHARP DIVISION BETWEEN VIVID PAST AND FUTURE DAYS.

*from the editor*

The final deadline has arrived; we all feel some regret and much relief. The very existence of this book is evidence of the cooperation and talent of the wonderful people who worked hard to make of ideas reality. Hats off especially to Lisa, without whom the Meteor would not have been published (a trite and true phrase), and to Pat, who handled the financial end of things so efficiently. As we re-view the past few months, from election to planning to execution (no pun intended), we see some unreachd goals—novices are usually quite idealistic. But while the book was ours, we did out best. Now it's yours—yours to treasure and yours to criticize. We who worked hope you like it—that makes it all worth while.
